

ACTIVE WEAR

Gear yourself for fuss free workout with Airwear Active Wear from the ambit of C9, whose latest antimicrobial technology keeps you fresh throughout the day. Flatteend seams prevent irritation.

- Innovative seamless construction crafted from new age technology
- Wicking technology wicks sweat to keep you dry and light
- Produced from silken soft, light, airy fabric which gently caresses the skin
- Lightweight stretch construction improves mobility for full range of motion
- Styled to provide immense freedom of movement
- Anti-microbial technology keeps your gear fresher longer
