THE BRAND

“C9” symbolizes the multiple facets of a woman's life - the spaces she navigates every day and the forms in which she expresses herself. It encompasses the essence of what it means to be a woman through a myriad of roles, which she performs, in her everyday life from 9 to 9 Throughout the day.

AirWear

“AIRWEAR” launched by C9 is a progressive range of women's apparels that is inspired from the Athleisure trend which allows women to seamlessly transition from one walk of life to another. Airwear offers utmost breathability and fluidity, maximizes mobility with its 4D stretch while enhancing comfort and confidence. Airwear boosts performance through its functional structures and engineered construction and its moisture management keeps you fresh all day long.

Each and every Airwear product is crafted with a unique design keeping our fashion conscious consumers in mind. This seamless technology garments are converted from yarn to finished products directly eliminating the fabric phase. This process greatly reduces the number of stitches on the garment, which increases its comfort and durability. The concept of AIRWEAR has been incorporated in the entire range of C9's apparels. Contemporary & stylish - Airwear aspires to establish a new outlook for the women of today, who is fuss free and always on the move.

PLAY IT COOL

SANGAM GROUP

The Sangam story can be traced to the year 1984. When the group ventured into textile manufacturing. Since its inception, the Group kept a keen eye on Product innovation with the newest technology. The company's spinning division is ranked amongst The world's largest PV Dyed Yarn installation with More than 200,000 Spind and 3000 rotors. Today, Sangam India limited is a \$1 billion business conglomerate with the support of over 10,000 employees. It is one of the largest and most modernized industries in the country, and has also diversified into the fields of Textile, Steel, Real Estate, Infrastructure and power. Using its enviable modern and state-of-the-art technology, the company Launched C9 in 2014. C9's range of products includes Inner wear, Active wear and Leisure wear crafted with the revolutionary seamless technology. Each product has a different look, style and design. The Only elements that stayed constant are comfort, softness and fluidity.

Bra

- Body mapping with functional structures to reduce impact of jerks on body
- Unique design for optimal support and breathability with its twin layered construction
- 4 way stretch enabling flexibility for different workouts
- Quick dry fabric for excellent moisture management

Tees

- Sweat control as perspiration dries instantly
- Feel fresh & light through the day with moisture control fabric
- Enhance comfort & style with special functional structures
- No side seams increase flexibility and durability

Shorts

- Anti-microbial treatment which kills bacteria coming on body due to sweat
- No outline on your dress due to thin seamless construction
- Soft and comfort fabric enabling longer use throughout the day
- No marks on body due to minimal use of stitches

Shapex

- Look beautiful by hiding extra fat through advanced compression
- Anti-microbial treatment which kills bacteria coming on body due to sweat
- No outline on your dress due to thin seamless construction
- Soft and comfort fabric enabling longer use throughout the day
- No marks on body due to minimal use of stitches

Capri & Track

- 4 way stretch for perfect fit
- No knee ball formation and anti-pilling
- Oeko-tex approved dyes ensure no colour fading
