We run on 

About us :

Sangam India Limited commenced its operations in 1985 at Bhilwara and within a span of two decades, we have grown into one of India's leading business conglomerates with the turnover of \$ 300 MN. The flagship division of Sangam Group, Sangam Spinners is one of the largest manufacturers of polyester viscose dyed yarn in South Asia. An ISO 9001 : 2008 organization, it is reckoned as market leader in PV dyed yarn segment. The company today has more than 2,00,000 spindles and 4,000 rotors to produce polyester viscose dyed yarn, PV blended yarn and 100% cotton yarn which gives an annual production of 73000 M Tons. Major part of the total yarn production consists of all varieties of P/V dyed yarns used in the manufacturing of suiting, shirting, knitting and carpet. The division is also known for producing and exporting high quality cotton from S-6 Quality. Equipped with the latest technology and driven by a dedicated team of professionals, the company has been maintaining its leadership position since over a decade now.

Exporting to Major Countries:

We export to Argentina, Australia, Bangladesh, Belgium, Brazil, Colombia, Chile, Egypt, Germany, Iran, Italy, Nepal, Poland, Portugal, Romania, South Africa, Spain, Switzerland, Turkey, Ukraine USA, Morocco, New York, Peru, Philippines, Syria, Canada, Egypt, Slovenia, and Sri Lanka.

Global Edge :

- Catering to more than 28 countries
- 3 Star export house status
- One of the largest PV Dyed Yarn Manufacturer in Asia
- Vertically Integrated Composite Mill leads to complete textile solution
- Among India's Top 500 Global Organizations.
