

The image shows a close-up of blue denim fabric, with several layers of material creating a sense of depth and texture. The lighting is soft, highlighting the individual threads and the characteristic diagonal ribbing of denim. In the bottom right corner, there is a white logo for 'Sangam DENIM'. The word 'Sangam' is written in a large, bold, sans-serif font with a stylized 'S' that has a thick, curved top. A registered trademark symbol (®) is located at the top right of the 'm'. Below 'Sangam', the word 'DENIM' is written in a smaller, all-caps, sans-serif font.

Sangam[®]
DENIM

ABOUT US

Sangam (India) Limited was established in 1984. We have an integrated yarn manufacturing division and are one of the leading composite textile units, holding a strong position in the Global textile sector.

The company has a capacity of producing more than 48 million meters of Denim fabric per annum with fully automated and latest technology. We also have rope dyeing unit with capacity of 32 ropes.

CAPACITIES

Rope Dyeing	: 12 Lakh Mtr Pm
Slasher Dyeing	: 40 Lakh Mtr Pm
Finishing	: 50 Lakh Mtr Pm

In House Weaving
In House OE Yarn, Ring Yarn
Texturize Yarn
